

# Festive Yule Log

## Step 1

- Cut approximately 1 yard off your 5 yards of ribbon
- Lay ribbon down on the table
- Stack logs (3 on bottom, 2 in middle, 1 on top) on top of your 1 yard of ribbon.
- Tie the bundle of logs together

## Step 2-3

- Using the rest of the remaining ribbon, make a bow
- Wire the bow on top of your log bundle, attaching it to the tied ribbon around the logs

## Step 4

- Cut your faux evergreen stem into multiple pieces
- Hot glue the pieces where you'd like them to go - be creative!

## Step 5

- Trim the stems of the pine cones
- Hot glue the pieces where you'd like them to go

## Step 6

- Cut the berries apart into 6 pieces
- Hot glue the pieces where you'd like them to go

## Step 7

- Trim the holly stem into 5 to 6 pieces
- Hot glue the places where you'd like them to go

## Step 8

- Admire and enjoy your beautiful creation!
